

# AFTER SCHOOL TENNIS & EDUCATION PROGRAM

Join us for "After School Tennis" held at the Barnes Tennis Center

A fun way for children to learn the basic fundamentals of tennis and keep up with their homework!!!

The youngsters split time between the library and the tennis court. The tennis portion of the program consists of students learning the game, performing drills, and understanding the benefits of physical fitness. The library portion gives children the opportunity to get help with their homework, as well as providing students with a quiet area and books for reading.
